The Richard and Jane Manoogian Art Gallery is a fine art exhibition space, created to provide high-quality visual arts experiences. It will debut the private collection of Richard and Jane Manoogian, along with rotating exhibits in the community artist gallery.

We are also honored to display a curated exhibit from the Marshall Fredericks Sculpture Museum which will include sketches and sculptures from the permanent collection of "America's Public Sculptor," Marshall M. Fredericks.

The Manoogian Gallery and community galleries will be open to the public - at no cost - two Saturdays per month.
